

"It is important...To look back at our lives and realize that God's fingerprints are all over them...and see the ways that God has rescued and redeemed us time and time again." Ben Maxson

2016 Snapshot

Reflect on and review the past year – what events happened in your life?

When did you experience God over the past year?

What do you think He might be trying to say through this past year based on the events you listed above?

Give thanks in all circumstances; for this is God's will for you in Christ Jesus." 1 Thessalonians 5:18

Gratitude Flood

Write down every good thing you can remember from the past year:

What do I most want to be thankful for one year from now?

*"Do not conform to the pattern of this world, but be transformed by the renewing of your mind."
Romans 12:2*

Put It Down & Pick It Up

What do you need to let go of?

What habits, practices or disciplines do you need to pick up?

What is one action step you can do **today**:

What is one action step you can do **this week**:

What is one action step you can do **this month**:

"So here's what I want you to do, God helping you: Take your everyday, ordinary life—your sleeping, eating, going-to-work, and walking-around life—and place it before God as an offering. Embracing what God does for you is the best thing you can do for him. Don't become so well-adjusted to your culture that you fit into it without even thinking. Instead, fix your attention on God. You'll be changed from the inside out. Readily recognize what he wants from you, and quickly respond to it. Unlike the culture around you, always dragging you down to its level of immaturity, God brings the best out of you, develops well-formed maturity in you." Romans 12:1-2 (The Message)
