# BERKLEY HILLS CHURCH

What is the last new thing you purchased and why did you purchase it...

- I didn't have it, and I needed it
- I had one, but it was busted
- I had one, but I found one that was better

Describe a time in your life when you realized "I have a problem (sin)"? How did you come to that realization?

## **Read: Romans 7:15-25**

Verses 17, 20 and 23 describe sin as an almost living and powerful force at work inside of us that causes us to do things we know we shouldn't or really don't want to. How have you experienced this power of sin at work in your life personally?

## **Read Ephesians 2:8-9**

If salvation is truly a gift, why do you think so many people think or act as if their good deeds, church attendance or Bible reading have anything to do with their salvation?

- Why do you think it is so hard for us to accept a gift like this?

Read Luke 9:23

What does it practically look like to follow God on a daily basis?

Is there an area of your life right now where you are not following Jesus well?

What is the difference between believing Jesus is right in your head and following Him with your heart?

## **Songs:**
