BERKLEY HILLS CHURCH

Can you think of a time when you were so lost that you thought you would never get to where you were going or get back home? Describe how you got to that place and how you got out of it.

Sometimes we feel lost, or like we are so far from God that He'll never find us. Read Psalm 139:7-12. How can knowing there is no place we can go, where God cannot find us, change the way we feel about being lost?

This passage and the one we looked at on Sunday seem to imply that not only can Jesus find us when we are lost, but that He pursues us when we run. Can you think of a time in your life when you sensed Jesus pursuing you even as you ran from him? What kind of impact did that have on you?

Read: Mark 5:1-8

Why do you think the man asked Jesus not to torture him? Was it the demons speaking or was there a fear in him that God wanted to punish rather than set him free?

How can our fears of God's punishment or his deep disappointment in us keep us from running to Him for freedom and healing?

Read: 2 Corinthians 12:6-10

How do our weaknesses, trials, failures and problems provide an opportunity to God's power to be displayed?

Verse 10 says, "for when I am weak, then I am strong." Even though this sounds backward, how is this true?
