Ready Matt 1:15-23

Mary, although not known by man was known by God, walked with her husband through deep waters to raise the Son of God. Through her friend Elizabeth, she was encouraged that what was happening was of God. Do you have a person(s) that you can go to and share "GOD SIZE" dreams with and allow them to speak into your life?

Mary had to take steps of acceptance and obedience to do what God was asking of her. Where are you now in your faith that God is asking you to hear his voice with your ears as well as your heart (spirit)? Are you obeying?

Make a list of next steps of obedience that God requires of you to be a humble servant that hears the voice of God and responds as Mary did with "I am the Lord's servant, may it be to me as you have said."

Read Luke 22:39-46

Mary's son Jesus also had to take steps of obedience to do the Father's will. Just as Jesus prayed in the garden, take time this week to pray and ask the Lord to reveal His will for your life, your family, and any ministry opportunities to be one of the 21st

century "GIANTS" of the faith.
