BERKLEY HILLS CHURCH

This morning we kicked off our new series entitled, "I Love my Church," If someone were to ask you why you love your church, how would answer them?

Read Deuteronomy 8:7-18

How has forgetting what God has done in the past impacted the way you have lived in the present?

What distractions stand in the way of you remembering and celebrating more frequently?

What changes can you make in your routine to ensure you do more remembering and celebrating?

What area of Greater [Greater Commitment, Greater Transformation, Greater Impact] do you need to spend more time/focus on?

Take some time to think of someone in your life who need to be transformed by Jesus and pray for them by name. (If you are in a group, share those names and take time as a group to pray).

Then pray for God to use you and us to see a Greater Transformation than we have ever seen before.

Read Acts 2:42-47

What obstacles do you see standing in the way of the early church spending time with one another and connecting?

What obstacles stand in your [our] way of "showing up" and connecting with one another?

What impact did their "devotion to the apostles teaching" have on the early church? How did it impact the Lord adding to their numbers daily?

What does it look like to "give up" [sacrifice and serve] for others in the church?
