BERKLEY HILLS CHURCH

What do you feel most people's lives are driven by? What has been the driving force in your life?

How will living your life for God's pleasure (worship) rather than your own impact the way you live?

What are some common (daily) tasks you could start doing as if you were doing them for Jesus? How would doing them with this purpose change the way you felt about doing them?

How does living for the purpose of "Being like Jesus" alter the way we go about our days?

What is one area in your life where you need to stop thinking your way and start thinking God's way (life Jesus)?

In what ways have you experienced great joy and purpose in serving others?

Why do you think so many Christians are scared to fulfill their purpose of "making disciples" (evangelism)? What can we do to decrease our fears and increase or fulfillment of this purpose?

As you reflect on the race of your life so far; have you been running it for His purpose or yours? What areas do you need to get back on track?
