Going Viral - Why Your Story Matters

Read Mark 5:1

Imagine you're one of the disciples and Jesus is taking you to a place known for pagan worship. How would you respond? Can you think of a time where following Jesus led you into "scary territory"? How did you respond?

Read Mark 5:8-17

Can you think of a time where God did something so miraculous you were actually scared?

Read Mark 5:18-20

If Jesus were to tell you to share your story with those closest to you, what aspects of your story would you share? What part of your transformation has Jesus made most noticeable to people around you?

Take some time to quietly reflect on your story of transformation.

Where in your story would you start? What part(s) would you emphasize? How would your story end?

Who is one person you can share your story of transformation with this week?
