## **Going Viral - Reclaiming Early Church Urgency**

Can you think of a time where you had urgency for something? What sparked the urgency? What would have happened if you lost your urgency in the situation?

## **Read Romans 10:13-25**

Why do you think Paul is saying that the messenger's feet are beautiful to God? When you hear that the Gospel is "Good News," what comes to mind?

## **Read Acts 8:34-38**

Why do you think the Ethiopian Eunuch gets baptized immediately? Why do you think the book of Acts is filled with people being converted and getting baptized at the same time? How does this differ from our experience in the Church today? Why do you think people experience conversion, but often experience a gap before their baptism?

When you hear the phrase "One Life," does a specific person come to mind? How might you share the "Good News" of the Gospel with them? What fears might you have to overcome? How can you share the Gospel with your "One Life" sooner, rather than later?
