## BERKLEY HILLS CHURCH

What kind of stuff is worth fighting for? What issues do you need to start engaging in?

If you know you should engage (fight for) these issues, why haven't you up to this point? What kinds of things can keep us from engaging?

Read Ephesians 6:10-20

According to this passage, we are not in a typical battle, so what kind of battle are we in? How should we fight (engage) in this kind of battle? How did Jesus (fight) engage in the fight?

Read 1 Corinthians 16:13-14

What is the difference between being "on guard" and "standing firm" and what does it look like? Which one do you need to start doing a little more of and how?

What does it look like to be courageous?

One of the last lines in the movie is, "They believe so much in how much you believe and they want a piece of it." How can our convictions and our unconventional methods of engaging in the battle impact and inspire others?
