# BERKLEY HILLS CHURCH

How connected do you feel to your church family (or other believers) right now?  
Is this more or less than at other times in your life? Why?

How has "One Anothering" (church, small group, Christian community, etc...) influenced or impacted you over the past few years? How have you grown or changed?

How has "One Anothering" (church, small group, Christian community, etc...) influenced or impacted someone else (others) over the past few years?

This past Sunday we looked at several of the different "one another" in the Bible. Which one do you feel best about and which one do you feel worst about and why?

- a.) Love one another
- b.) Serve one another
- c.) Encourage one another
- d.) Be Vulnerable with one another
- e.) Put up with one
- f.) forgive one another

What next step would make your commitment to your church family or Christian community more meaningful for you and others?
